

CAMP OHR CHEDVAH CLOTHING LIST

The list below contains everything for a complete camp outfit. Sending more is unnecessary. We do the laundry on camp grounds once a week. Clothing should be washable and be able to be dried in a dryer. We do not wash linen. Do not send anything that has not been previously laundered. To prevent loss, every article (including socks) should be clearly marked

with either **SEW ON** name tapes or a legible laundry marker. Iron on name tapes are not recommended because they come off during laundering. Do not rely on your daughter to recognize her clothing without her name on it. Everything, including shoes, sneakers, etc. should be marked with a permanent marker.

NUMBER SENT SUGGESTED NUMBER
