

May 2022 Iyar 5782

Dear Parents,

The anticipation is building as the summer approaches and preparations for another fantastic season are underway. We hope that your daughter is as excited about the summer as we are. This letter contains pertinent information so please read it carefully.

The dates for camp are as follows ה"א:

First Trip: June 28 – July 25 Visiting Day: July 10 Second Trip: July 27 - August 22

(Due to the calendar conflicts (Tisha B'Av on Sunday) and many requests from parents there will be no Visiting Day in the second trip).

Forms that can be filled out online have an arrow next to them. Follow the instructions and the form will be submitted directly to the camp office. Forms that need to be printed (Dr. form etc.) please download and print.

1. **Camp Recommended Clothing List: (Download and Print)** One of our goals in Machane Ohr Chedvah is to instill in each of our girls a sense of Tznius and a level of dignity. We would also like to downplay the emphasis which is, unfortunately, put on clothing. For this we need our parents' cooperation in selecting their daughter's wardrobe. Your main concern should be comfortable and sensible clothing that conform to the following guidelines which will be strictly enforced.

- All skirts and dresses must be below the knee at all times.
- All sleeves must cover the elbows at all times
- Tight fitting T-shirts and tight fitting skirts are not allowed.
- Knee socks must be worn at all times.
- Pool robes must cover elbows and knees.

Please follow all instructions carefully. Do not send any more clothing than is indicated. This list has been carefully researched and has proven to be an accurate guide to what your daughter will need in camp. Sending more clothing and shoes will only clutter the closets and cubbies and will lead to loss. Camp is not the place to send your child's finest and fanciest things.

2. **T-Shirt Form: (Fill out online)** All campers will need to purchase a Camp Ohr Chedvah T-shirt. These will be used primarily for security purposes on out-of-camp trips. The cost will be \$15 and will be charged to your daughter's canteen/misc account once she comes to camp. Please fill out the form no later than by May 10.

3. **Trip Authorization Form: (Fill out online)** This form is required by the New York State Department of Health. No camper or staff member may go on an out-of-camp trip without this form signed by a parent!

4. **Medical Forms – Parent Form: (Fill out online)** Without this form, the NYS Health Department will not allow any camper to attend camp. Fill out this form asap.

5. **Medical Forms – Doctor Form: (Download and Print)** Please have your doctor fill out this form and return to our office by May 31. Without this form the NYS Health Department will not allow any camper to attend camp.

6. **Bunk Request Form. (Fill out online)** Fill out online together with your daughter.

For those of you who would like to receive paper forms, please call our office and they will be mailed. If you have any questions or problems you would like to discuss with us, please do not hesitate to call.

Sincerely yours,

Rabbi Yehuda & Mrs. Rasie Levi
