Dear Parents,

M&R TRUCKING is proud to have been chosen by CAMP OHR CHEDVAH to transport your daughter's luggage to camp. We are sure that you will be satisfied with our prompt and courteous service. If you have any questions or problems, please do not hesitate to call. If you desire this service please read the following carefully.

1. You must use the ohrchedvah.com website and fill out the luggage form online.
2. Luggage tags will be given out at the pick-up location. All those not using the luggage service please make sure your luggage is marked in 2 places on each piece of luggage!
3. Use only camp trunks (**SOFT TRUNKS!!**) and duffel bags. We treat your luggage with as much care as possible, however, we do not accept responsibility for luggage that will not withstand normal handling with other trunks i.e. suitcases, cartons etc. Do not pack soda cans, water bottles or any other liquids in your luggage. Oversize trunks will not be accepted
4. Do not pack valuables such as jewelry, radios, cameras, musical instruments etc.
5. Consult the list below for the date, time and location of the drop off in your area. The charge is \$90 per camper round trip. (If you do not use the service on the way home you will receive a refund). This covers two regulation size camp trunks. The charge for extra pieces will be \$15.00. Please have the exact amount in CASH ONLY! No checks!
6. Please heed the following carefully: A) Inspect all trunks carefully to make sure that their hardware and handles are in good condition. Do not send trunks that must be secured with tape or rope or that have lost their original handles. These are dangerous. B) Don't overpack your trunk! An overpacked trunk is likely to incur damage in handling.
7. **Please do not call the camp** concerning luggage!
