

CAMP OHR CHEDVAH - HAIR CHECKING INSTRUCTIONS

All campers and staff must have their hair checked for nits by a professional nit checker before their arrival to camp. The women have asked that you come with **clean** and **dry** hair to be checked. No mousse or hairspray, please. The fee for this service is \$8 if you come during the times that have been specified for camps. If you wish to have a private appointment the fee is \$10. You must have this form filled out and signed by whoever is checking your hair and bring it with you to camp. These forms will be collected on the first day of camp. We have the names of many nit ladies in different areas and their schedules of checking. If you live in another area you can use any CERTIFIED nit checker.
